**[www.pydinitiative.org](http://www.pydinitiative.org)**

## **Our VISION:**

To make our youths useful to themselves and to the society

## **Our MISSION:**

To train and create awareness to youths on issues that will build their capacities, make them healthy, employable and employers of labour.

## **AIMS AND OBJECTIVES:**

- Create general awareness about important issues to youths and young people
- Provide mentoring services and leadership training to youths and young people
- Create awareness on health issues (including mental health) to youths and young people
- Create awareness to youths and young people on the importance of education
- Help in the education and welfare of the almajiri children and other underprivileged youths and young people
- To support gender and social inclusion at all levels
- Collaborate with other organizations in order to achieve above aims and objectives
